How to find us:

By car: From the north, east or west via the M4. M4 junction 15, take the A346 south for 4 miles towards Marlborough. Turn off the main road just after passing the Ogbourne Downs Golf Club.

From the south, or the A4: A4 or A346 to Marlborough, then north on the A346, 3 miles towards Swindon.

By bicycle or on foot: The ancient Ridgeway and the more recent National Cycle Route 45 (on the line of the old railway path) meet here at Ogbourne St. George.

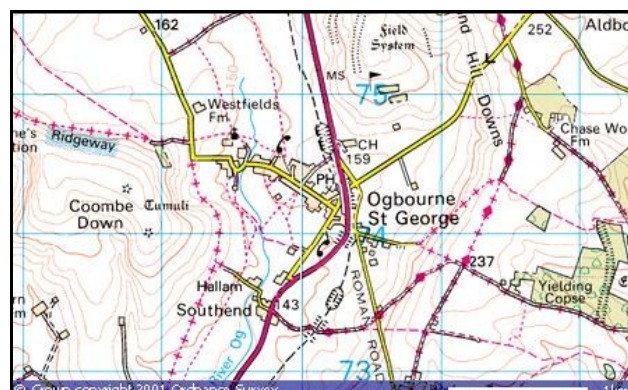

By train: Great Western Trains to Swindon, or Thames Trains to Great Bedwyn, then by bus or taxi.

By bus: From Swindon or Marlborough, use routes 70 (Mon-Sat) or 71 (Sun). From Bedwyn Railway Station, take the route 20 or 22 into Marlborough, then the 70 or 71 bus. Ask for the bus stop at the Marlborough end of the village, we are just 50 yards from the bus stop.

After you get to the village:

There are only three roads running through the village, including the Roman Road. We are on the road which runs from near Southend and Hallam, under the main A346 road and then over the downs to Aldbourne.

Coming from Marlborough, go past Southend and Hallam, then take the next left. When you enter the village, you will go past the 30mph speed limit sign and a public telephone box. As you do, look for the second house on the right.

From Swindon or Aldbourne, go under the main road, past "The Inn With The Well", then look for the last-but-one house on the left.

"The Sanctuary" is a large white bungalow with a five-bar gate.
